This Mineral Resource estimate is based upon and accurately reflects data compiled, validated or supervised by Dr Andrew Richmond, who is a Fellow of the Australian Institute of Geoscientists (Membership Number 4840), a Member of the Australasian Institute of Mining and Metallurgy (Membership Number 111459), and a full time employee of Martlet Consultants Pty Ltd. Dr Richmond has sufficient experience that is relevant to the style of mineralisation and the type of deposit under consideration and to the activity which he has undertaken to qualify as a Competent Person as defined in the 2004 edition of the 'Australasian Code for the Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Dr. Richmond consents to the inclusion of this information in the form and context in which it appears.
