**Renounceable Entitlement Offer
Issues with BPay Code**

The Company has been advised that the BPay code as quoted in offer and acceptance forms attached to the prospectus of the Renounceable Rights issue, is currently not working.

A solution has been identified and will be implemented immediately, however the BPay code will not be valid for use until Tuesday 5th February, 2019.

As a temporary solution, the Company has been provided with an interim BPay code, which can be used, as follows:

- Interim BPAY Biller Code will be 46300
- Name on BPAY Biller Code will be PCPL until the bank has renamed to CGN Offer

We apologise for any inconvenience caused.
