CRATER MOUNTAIN PROJECT – OWNERSHIP

Gold Anomaly Limited (“the Company” or “GOA”)’s Crater Mountain Project in Papua New Guinea (“the Project”) is operated by the Company’s PNG subsidiary company, Anomaly Limited (“Anomaly”) under a joint venture arrangement. Until recently Anomaly owned or was entitled to a total 90% interest in the Project.

GOA is pleased to advise that following various approvals by the PNG Government Anomaly has now moved to outright ownership of 90% of the Project.

In addition, in line with a purchase and sale agreement with the previous owners of the 10% balance of the Project, following completion of preliminary administrative matters application has been made to the PNG Minister for Mines for the Minister’s consent to the transfer of the remaining 10% interest to Anomaly.

Yours Faithfully
