Dear Sir

Re: Small Shareholders

In August the Company advised that it had written to shareholders with less than a "marketable parcel" (i.e. less than \$500 worth by market value) of shares in the Company giving them the option to either remain a shareholder of the Company or have the Company sell their shares on their behalf and account to them for the proceeds.

The matter has now been completed with the Company having sold 1,459,015 shares (of a total of 77,563,271 shares in the Company on issue) at seven cents per share. The Company has met all costs of the sale and will account to the former owners of the shares for the proceeds of the sale.

Yours faithfully
GOLD AURA LIMITED
