Dear Shannon

**Trading Halt Request**

I confirm Crater Gold Mining Limited ("CGN")'s request for a trading halt. CGN provides the following information:

1. The reason for the request is that CGN has been notified of a significant development in relation to its High Grade Zone, Crater Mountain, PNG Gold Project, notably the grant of a Mining Lease for the Project, but is still clarifying certain details relating to the matter before making a definitive announcement to the Market.
2. CGN expects the trading halt to last until some time today.
3. CGN expects that the trading halt will be ended by CGN's announcement to the Market of details of the significant development in relation to its High Grade Zone, Crater Mountain, PNG Gold Project.
4. CGN is not aware of any reason why the trading halt should not be granted.

Yours Faithfully
